

**Indiana State Board of Nursing**  
**Chronic Pain Management / Nurse Monitoring Subcommittee**

The Nurse Monitoring / Chronic Pain Management subcommittee was formed to provide the Board with recommendations on how to consistently handle situations where a nurse is not a candidate for ISNAP participation because of chronic pain management needs and the nature of ISNAP as an abstinence-based monitoring program. The subcommittee will report to the Board progress on its status at the August 21, 2008 Board meeting.
